

Youth Triathlon Training Program

Directed by Tri-Masters Sports Initiative Programs

The 2017 Tri-Masters Sports Initiative Programs is a **6-9 weeks program** that helps children ages 6-14 fight childhood obesity and live a healthy lifestyle through the sport of triathlon. Under the supervision of certified coaches, children will learn the sport of Triathlon consisting of swim, cycle and run techniques. Triathlon training offers children a fun, exciting way to stay in shape and achieve a level of confidence that remains elusive for many children. Discipline and a strong commitment to learn the sport is the minimum requirement for any child interested in the Tri-Masters Sports Initiative Programs.

In addition to the activities and training, Tri-Masters Summer Sports Program provides:

- Certified Coaching Staff
- Guest speakers on bicycle maintenance, nutrition, swim techniques & life skills
- Field trip (Bus transportation for field trip will be provided)
- Prize incentives for outstanding performance
- Bicycle Safety Manual
- Official Tri-Masters team shirt (for all race event participants only)
- Race entry into scheduled events when entry forms are returned prior to the scheduled deadline
- Lunch is provided each training day
- USA Triathlon Youth Membership
- End of the program cookout

Location: Matteson Community Center, 20642 Matteson Ave, Matteson IL. 60443

FEES: \$475.00 General / \$425.00 Returning Tri-Masters & Matteson Community Residents
